Class History

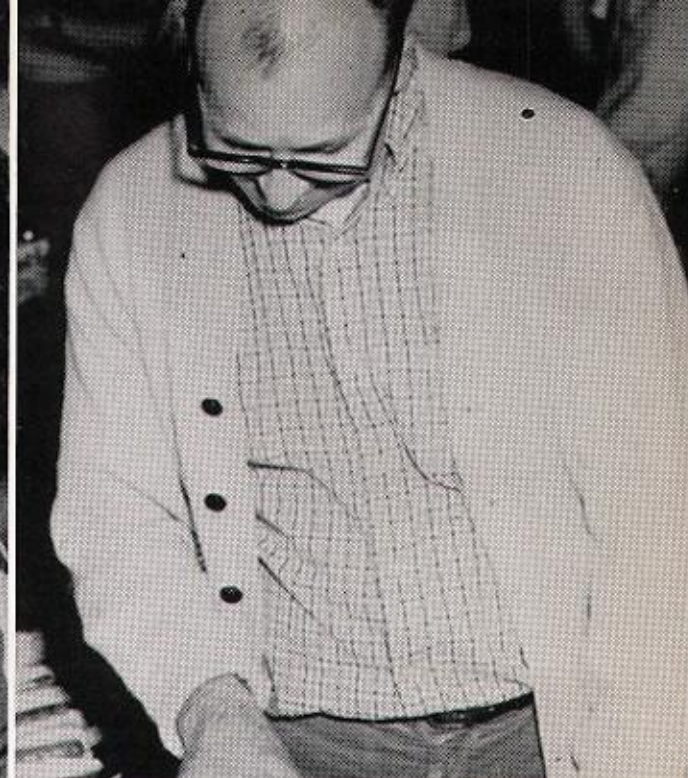

A seed is aimlessly blown across an open field. A sudden spring cloudburst drives the seed into the earth, there taking root in the rich soil. With the help of God's sun and water, the seed sprouts its first sign of life and continues to grow, winding upward toward the sky.

Or a seed is planted by the hand of a young boy, kneeling over his garden as he eagerly buries the seed in the moist soil, or it may be planted by the modern farmer's machine which shines in the sun as it mechanically distributes the beginnings of life.

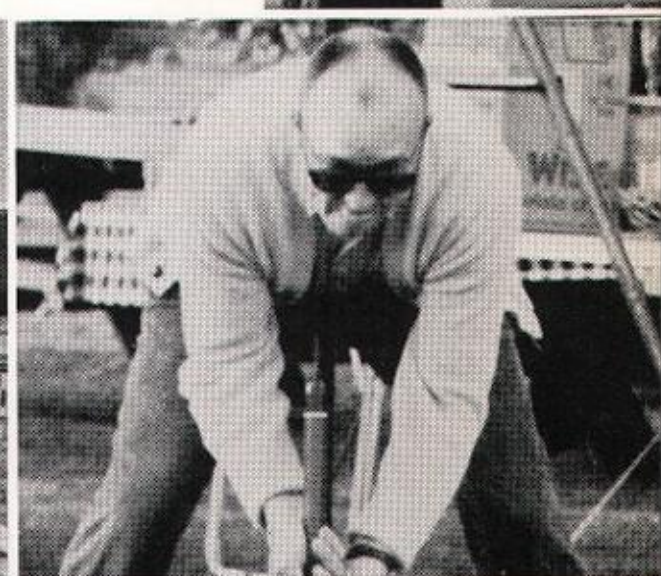

Wellington C. Woods, Jr.

As the curtain falls on the final scene of the last act, the cast looks back on the devotion and hard work of the director who created a prize play. And so, the cast of the "Class of 1965" looks to its director, Mr. Wellington C. Woods.

Mr. Woods gave us the constant push which we needed to press onward to our completion. He devoted many hours to our activities and was never too busy to give encouraging words of advice. The friendly, warm smile he possesses will long be remembered by our cast; and so, we, the Class of 1965, dedicate the *Clipper* to our director, Mr. Wellington Charles Woods, Jr.

Board of Education

To The Class of 1965

These should be your goals in life:

To emphasize the spiritual rather than the material values in human relations;

To develop by precept and example the knowledge of man's true relationship to his fellowman;

To encourage living by the Golden Rule;

To cooperate with your parents and others in their endeavor to help the community;

To work hard.

This is a big unfinished world which God made. He left things for all of us to do. Do your share, and you will be happier.

The Board of Education wishes you much success.

STARS

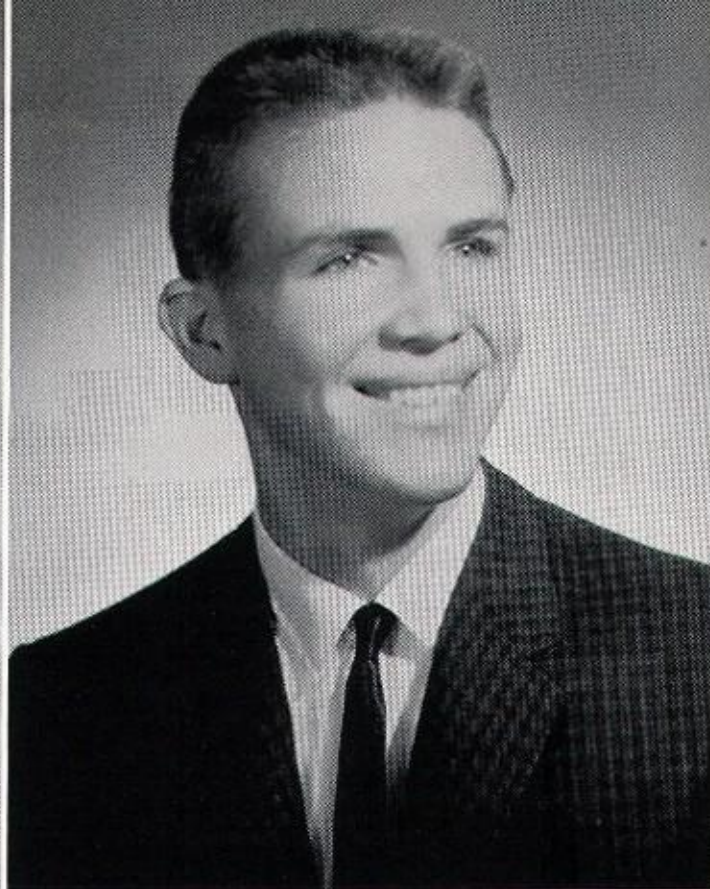

DONALD EDWARD ADAMS

Band 1, 2, 3, 4; Glee Club 3, 4; Dance Band 3.

JOHN HENRY BAUMAN

J. B., our model of dependability, has successfully led our class for the past three years as president. In his junior year, John was given the honor of attending the annual Boys' State. During this time, he was elected an Assemblyman. Taking time out from his studies and duties, however, he enjoys having a game of golf. John plans to go to college in the fall and enter the diplomatic service afterward.

Ken will never forget the fun he had during the summer of '62. His neat appearance and friendly smile are reasons for his many friends—the best of whom are Charles, Bill, and Bob. His blond, curly hair and personal appearance will long be remembered by our class as we reminisce through this book in years to come. Ken sees work with the C.P.A. in the future.

Football 4; Golf Club 3.

Booster Club 1; Newspaper Club 2, 3.

HELEN IRENE BRYANT

Commercial

We can always count on Helen for fun and laughs. She is better recognized as "Peaches" to Frances, Nancy, Gloria, Edwina, and Perry Lou. The hockey team and the class of '65 offer Helen many fond memories. April 1, 1963 and August 10, 1962 are very important dates for Helen. Attending a trade school is in store for Helen, and most important of all—marriage.

Dance Club 1; Hockey 3, 4; Glee Club 3.

RICHARD EUGENE BUSSEMER

MABEL MAY CHADWICK

Commercial

This class clown intends to be successful in whatever she attempts, including raising a basketball team. C.H.S. will never forget the valuable assistance Mabel gave to the girls' basketball team; nor will it forget her many impressive showings at the most necessary position on the hockey squad. Mabel's memories are many: December 21, August 1964, the skating rink, and the hockey and basketball bus trips are just a few. Her friends are Sooke, Shiek, Fudge, Schmidt, Punky, and Sissy.

Football 4; Football Club 2; Baseball 3, 4.

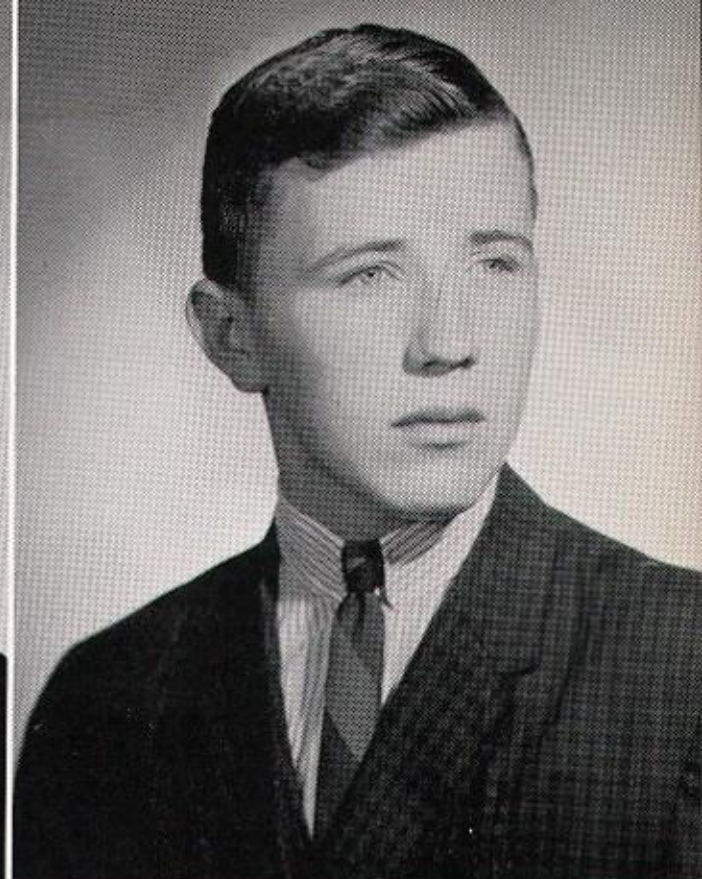

PATRICIA ANTOINETTE BRACARELLO

Commercial

Pat is truly one of the best known girls at C.H.S. and one of the most co-operative also. One can always find "Trish", as she is known to her friends, working hard at any of our class-sponsored activities. Pat's memories are the summer of '64 and New Year's Eve of '63. Track 1.

ARTHUR LYLE CHAIT

Academic

Art can only be described as the Albert Einstein of our class. After Art entered the Clayton High Science Fair, his brilliant exhibit went on to win 1st place in statewide competition. Among his treasured memories, he places the '64 Prom at the top. We have no doubt Art will become a top notch engineer.

Newspaper Club 1, 2, 3, 4; Science Club 1, 2, 3, 4, Pres. 2, Vice President 3, 4; Science Fair Award 1, 2, 3; Photo Club 3, Vice President; Prom Committee 3; Civil Defense 3.

. . . In their freshman year, the first sign of willingness to grow, these people accomplished many things. After first electing Peter Rosu as president, they began the task of completing their class float, entitled "An American in Paris." Helen Mackay reigned as queen, with Perry Lou Davis and Pat Bracarello as attendants . . .

. . . The year wore on and found the class involved in producing a mid-winter dance, the "Snow Flake Folly," and the traditional "Welcome Home Seniors Dance" . . .

JANE ANN CLIVER

Commercial

Everyone knows when Jane's around! Known as Janie to her friends, she finds companionship with Mary, Lo, Eileen, Kathy, and the gang. Her greatest ambitions are to be a hairdresser and, most of all, to marry R. R. The latter part of the summer of 1963 and all of 1964 stand as Janie's memories.

Glee Club 1, 2, 4; Booster Club 1, 2.

LARRY WAYNE CRANE

Football 1; Chess Club 2; Golf Club 3.

JOSEPH LOUIS D'ALESSANDRO

Man, nobody is cooler than Joe! Called "Dago" by his friends, he hopes after graduating from high school to become a mechanic. He remembers best the fun he had at the 1964 Junior-Senior Prom. When John, Gary, Tom, George, and Phil get together with Joe—well, all we can say is, "Look out!!"

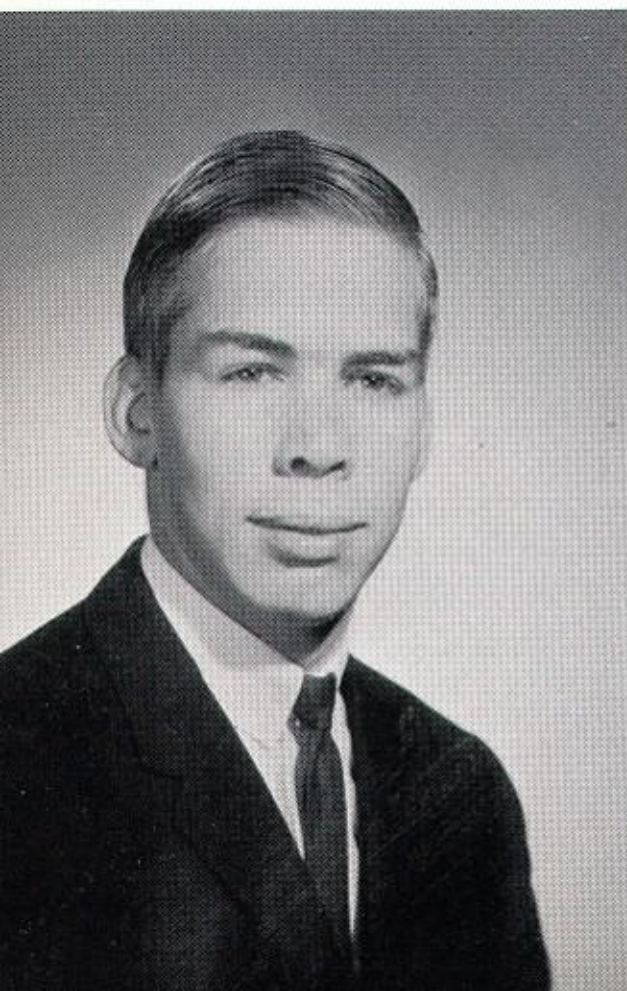

Audio-Visual Aids 3; Automobile Club 4; Golf Club 4.

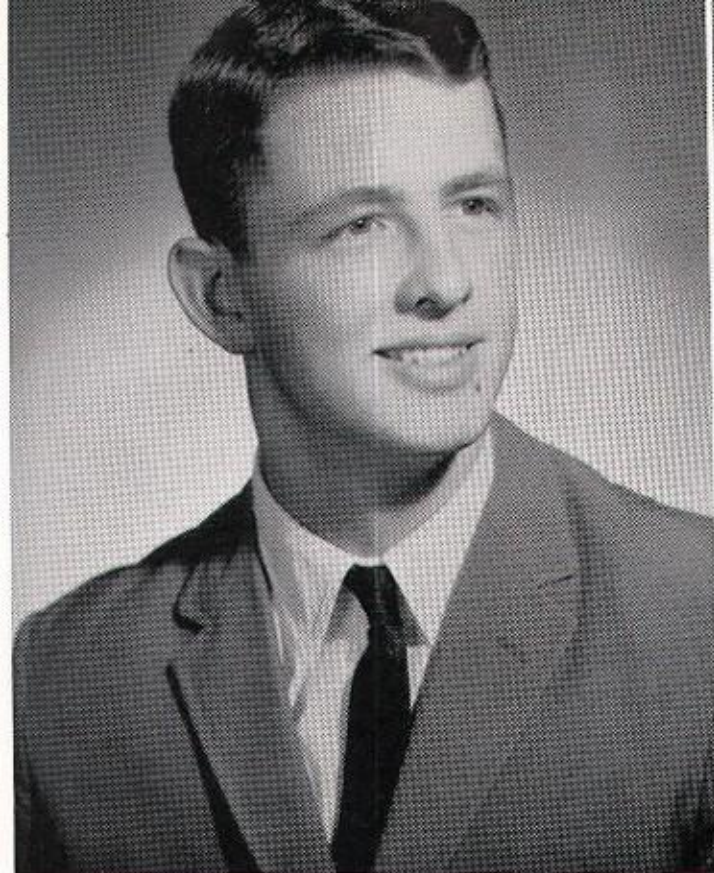

TERESA ANN EARLEY

Academic

Terry, who added "umph" to our varsity cheering squad, is always ready to give a helping hand whenever asked to do so. After her most enjoyable junior and senior years at C.H.S., Terry will enter a school of beauty culture and, of course, become a success. Terry can always be found loafing with Nancy, Mary, Sandy, and Ree.

KENNETH ALLAN COATES
Academic

If you hear someone talking about what sounds like a real character, they are speaking of Kenny. Ken, sometimes known as "Coatsie," desires to be an art teacher. He remembers the '63 basketball season and shares Moeball memories with his basketball friends. Incidentally, Ken is friendly with Carolyn, Mabel, Farley, Krud, JoAnn, and Fran; if he's not with either of these, he'll probably be found over at Ma's with the rest of the Gang.

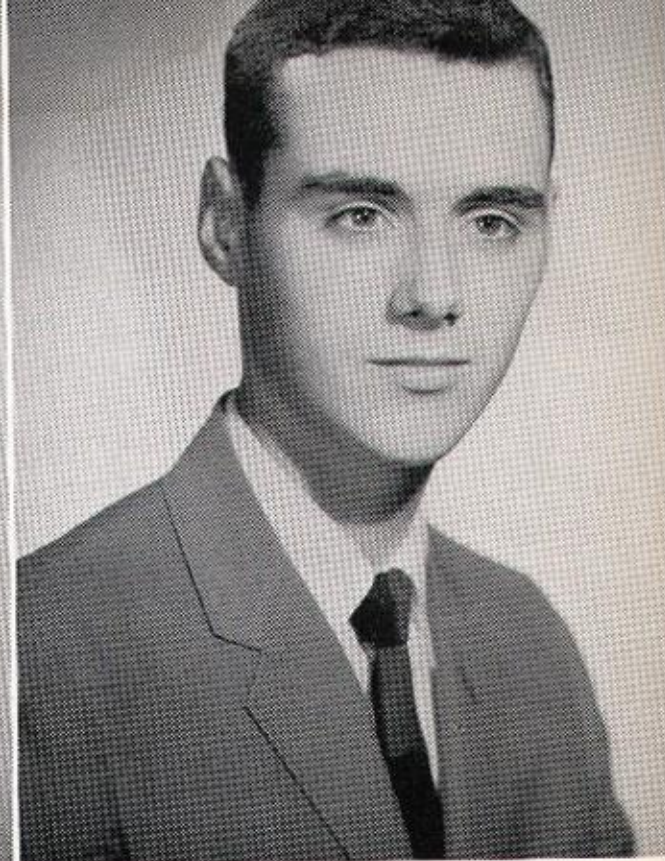

Freshman basketball 1; Basketball, J.V. 2, Varsity 3, 4; Art Club 1, 2, 3.

WAYNE RICHARD COLLINS
Academic

To look at Wayne, one would never believe that his future plans include graduating from college *cum laude*. Mrs. Horner's fun-packed Latin class and the '64 Prom rate highly in Wayne's memory. When Wayne gets together with Dan, Larry, Davey Baby, or Don, a lot of fun or trouble is sure to develop.

Booster Club 1; Gym Club 2.

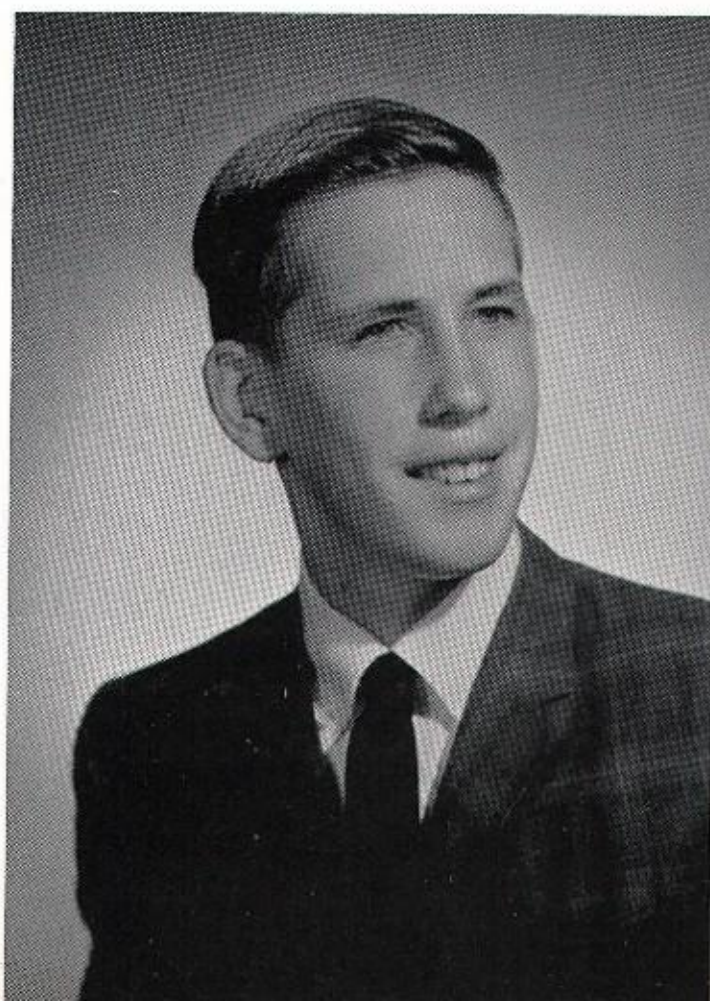

. . . The sophomore year brought many changes. Like the roots of the plant, many of the class members had grown, some changing direction in attitude and goals . . .

John, who will surely equal Louie Armstrong, has shown his outstanding trumpet playing ability in our marching, dance, and concert bands. We're positive that John will be a successful music teacher and pass some of his ability on to his pupils. The summer of '64 will always be remembered by John. Wherever Krud, Kenny, and "Ma's gang" are found, John is sure to be.

Band 1, 2, 3, 4; Dance Band 1, 2, 3, 4; Glee Club 3, 4.

. . . That year, the class elected as president John Bauman, who was to remain their leader throughout their high school years . . .

JEANNE GAIL FERRELL

Academic

Jeannie, our class delegate to Girls' State, is an exceptionally fine artist. Her outstanding ability in the field of sports has been clearly shown during the four years in which she participated in basketball. Gym Club 1, 2; Golf Club 3; Baseball 2; Chess Club 1.

CATHERINE MARGARET GALLAGHER

Academic

Cassy is sort of a legend to the Class of '65 . . . never has there been anyone with so many good qualities. She is truly what may be called "one in a million," and her dependability and loyalty to our class have long been recognized by all of us. She cherishes the date of November 23, 1961, and all of the proms will occupy a fond place in her heart. Cassy's versatility comes out on the hockey field and in Student Council, where her able leadership has done so much for Clayton High. Cassy's a pal to Helen, Carol, Ree, and Susan, but she is a friend to everyone. There is no doubt that she will be missed at C.H.S.

JOAN KAY GEORTLER

General

Nothing can be said to express the friendliness and warmth of this half of the Geortler twins. The loyalty and willingness to help which she possesses are qualities that have made her unreplaceable to the class of '65. As "Little Boss" of the Clipper staff, Joan has given her all to make this yearbook the best ever published. Her ability in literary composition has also been shown in the fine articles published by the Clipper Hi-Lites. Clipper Hi-Lites 3, 4; Yearbook 4; Prom Committee 3; Dance Club 1.

Our man Krud aspires to be greater than he is. As one can see, this indicates another one of Bob's finer qualities . . . humbleness. He becomes part of a five-man riot when he's seen with Ed, Davey Baby, Brad, and Ken, and for that matter, whenever he's around anyone! He cherishes his Moeball memories and the Tri-County Track Meet of 1964, and no wonder: Bob is an indispensable man on both the basketball and track teams!

In terms of games won and lost, Clayton did not have a successful season, finishing 1-8. There were many bright spots, however. To head the list, the Clippers pulled the upset of the year in beating Merchantville, 18-13. Senior fullback, Jake Steelman was very instrumental in this win going 45 yards with a pass from Jerry Maden for the winning TD.

Another bright spot was the tremendous and inspirational play of tackle Dave Lindsey. Dave was 1st team All-Tri County tackle, 2nd team All-Group 1, and honorable mention All-South Jersey.

Maden showed signs of being one of the better quarterbacks in Tri-County, and threw for 190 yards against Merchantville. If Larry Harris recovers sufficiently from his kidney injury he will help the offense tremendously with his speed. Larry rushed for 135 yards in our 21-12 loss to Salem.

Congratulations go out to the following boys who will graduate with the Class of '65: Co-captains Jake Steelman and Don Adams, ends Ed Hamilton and John Schoeler, tackle Dave Lindsey, guards Roger Pearce and Tom Barnum, center Bob Sandelier, linebacker Frank Gwalthney, and defensive halfback Ken Bittle. All these boys will be missed when the next Clayton High football team takes the field.

Under the leadership of Captain Bob Kennedy, the Clippers ended a very successful season finishing with a 6-10 record and tying for fifth place in Tri-County Conference. A number of records were set, including Billy Fahy's 302 points, the first Clayton player to surpass the 300 mark. Bob Kennedy's 277 points made it the first time that the Clippers have had more than one person with 200 or more points. Included in that total were a game high of 20 points that helped the Clippers beat Gloucester for the second time this season. It was the first time that any Clayton team has beaten the Lions twice in one season.

Ken Coates, Paul Shinkle, and Charlie McGoldrick made up the height of the team, pulling down a combined total of 250 rebounds. Paul paced the Clippers during the first half of the season, and Ken came through brilliantly in the second half to help the team win another three games.

Student Council

Roger Pearce, Pres.

Student Council works for a better understanding between the administration and the student body. The 1964-65 council successfully held its clothing and food drives which broke all previous records at C.H.S. On Thanksgiving, Miss Annabelle MacMahon, our Homecoming Queen, was crowned. Only through constant work and planning was this year's council able to have such a successful year.

Eligibility for membership in the National Honor Society is based on character, scholarship (the maintenance of an 85-or-above average is required), leadership, and service. Needless to say, membership in the Society is the highest honor the faculty and administration can confer upon a student.

An induction ceremony for the new members—five seniors and ten juniors—was held on November 11, 1964, with Senator John E. Hunt as guest speaker. Afterwards, the inductees joined the eight senior members, parents, guests, and their advisor, Mrs. Frances Horner, at a reception held in the foods room.

The Honor Society has been active in the past with the popular "High School Bowl," and has made plans to challenge other schools in this field. Many other projects were also worked on throughout the school year.

Officers for this year were Anthony Hickl, president; Jacob Steelman, vice-president; Barbara Womack, secretary; and John Bauman, treasurer.

Mu Alpha Theta is an organization, established in 1957 by the Mathematics Association of America, devoted to the enjoyment and understanding of math among high school and junior college students.

Membership in this club is very exclusive, and only students who have maintained at least a B average in math are eligible.

Mr. Michael Rivera, advisor of Mu Alpha Theta, has been a tremendous help in aiding this club in many worthwhile endeavors.

We are proud to announce that for the first time this year's *Clipper Hi-Lites* was produced entirely within the school, using the school's printing department.

CLAYTON HIGH SCHOOL BAND

This year's versatile band, under the able direction of Mr. James Burk, provided much enjoyable entertainment at halftime during each football game. Supplemented by the routines of the majorettes and Clipperettes, the marching band always managed to give an impressive performance, despite the many problems which evolved from this year's schedule change.

The complete marching band could also be seen at several parades held last fall. Led by the experienced colorguards, the band headed the Firemen's Parade and the annual Hallowe'en Parade, both of which were held in October, besides participating at each and every pep rally held during the school year.

Seniors in the band are: John Farley, first trumpet, who also received the honor of second trumpet in the South Jersey Band; Pete Gillon, Sousaphone; Frank Bastow, drums; Sue Starkey, flute; and Mabel Chadwick, glockenspiel. These people and the other members of the band were kept in time by senior Diane Smith, our drum majorette of two years. Bonnie Kier, a junior, headed the practiced team of majorettes.

The colorguards virtually led our band while still displaying their skills with many precise formations. Their captain was senior Gloria Fleming; other seniors included Helen Mackay, Cassy Gallagher, Carol Judge, and Frances Harvey.

Last but not least, we have the Clipperettes, the organization which receives so little credit for such a fine job during each halftime show. Captain Lynn Ianni is joined by the only two other seniors, Jeanne Ferrell and Pam Ellis.

During the winter and spring months, the assorted musicians continued to practice after school hours and gradually developed into a concert band CHS could be proud of, as was evidenced by their performance at the Christmas Concert and Spring Music Festival. The band also entertained at two school assemblies.

And that is the Clayton High School Band . . . it was a long, hard year, but it was also a successful one.
